

Scientific Virtual Symposium

FIGHT IT AT THE SOURCE OF HAP/VAP

(Hospital-acquired bacterial pneumonia/
Ventilator-associated bacterial pneumonia)

REGISTER NOW

Dear members of the Hong Kong Thoracic Society and CHEST Delegation Hong Kong and Macau,

Today, we would like to cordially invite you to our scientific virtual symposium, co-organized by the Hong Kong Thoracic Society (HKTS) and CHEST Delegation Hong Kong and Macau, in which you will have the opportunity to interact with **Professor Mathias Pletz, Director of the Institute for Infectious Diseases and Infection Control, Jena University Hospital, Germany** through a live Q&A session.

In this symposium, Prof. Pletz will:

- Share his experience of managing resistant HAP/VAP in Germany, and
- Provide an insight into choosing the appropriate antibiotic for patients

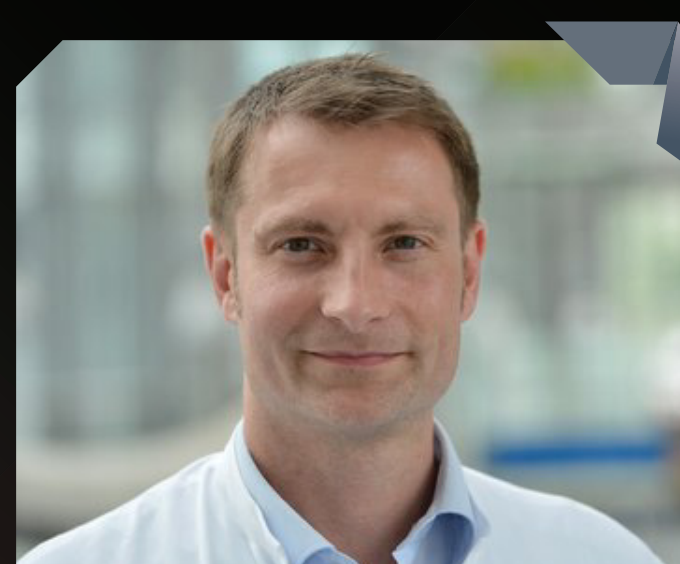

Details of the event are as below:

Date: August 18, 2022 (Thursday)

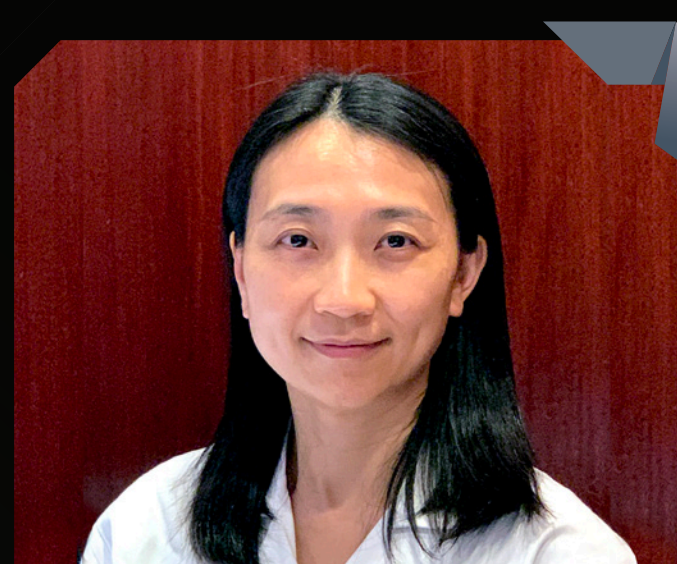

Time: 7:30-8:35pm (HKT)
